

## Kitten Wellness Plan

(as easy as 2-3-4)

Kittens are fun and exciting, but they do require a little more care when they are so young. Our All-in-One Kitten Comprehensive Package will take care of all the basic necessities a kitten will need for the first four months of their life.

Generally, vaccines start at 2 months of age (8 weeks old) and finish at 4 months of age (16 weeks old).
